Some recitation logistics

Office hours

Thursdays 8-9 AM (EST New York) susceptible to change if timezone conflict.
Meeting ID: 951 9040 3061 (you will receive an invitation to your email)

- Poll to know timezone and background
- Feel free to ask questions at anytime, participation in polls is important and let me know when technology fails
- All recitation sessions will be recorded
- Ask questions in Piazza and office hours and give us feedback if you think there's room for improvement
- The recitation sessions are meant to help you understand the material, get a hands on experience, learn how to do exercises and self-evaluate your understanding of the material.
